DUAL HEAD FILLER

KEG828-MB

QUICK START GUIDE

1. Plug in.
2. Rinse with sanitizer from a keg.
3. Connect CO₂ and beer.
4. Put can in place.
5. Press button to purge.
6. Press button again to fill.
7. Seam can

To Repeat:

1. Put can in place.
2. Press button once.
3. Seam can.

To Clean:

1. Rinse with water from a keg by filling a pint glass a few times.
2. Disconnect the water and run one more filling cycle. This will drain the system backward.
3. Store dry.
